

## **Japan Press Release**

18 February 2015

**From  
the People of Japan**

### **Japan Funds ‘The project for improving natural disaster response and climate change adaptation capacity for vulnerable people in Kasese district’**

H.E. Junzo Fujita, Ambassador of Japan to Uganda, signed a contract today, at the Embassy of Japan, for the Grant Assistance for Japanese NGO Project, totalling US\$391,636 with the representative of Save the Children Japan.

Japan, steadily promoting ownership of and partnership with African countries through the Tokyo International Conference on African Development (TICAD) process, is committed to achieving Uganda’s quality growth, the Millennium Development Goals (MDGs), and consolidation of peace and good governance.
