

## **The Embassy of Japan does NOT accept online visa applications**

**02 June, 2017**

The Embassy of Japan has been receiving information that an organization under the disguise of the Embassy has been assisting Ugandan people in submitting their online visa applications and work permit applications.

The organization, which claims its affiliation with the Embassy of Japan, is requesting visa applicants to pay the processing fee of USD 392 without even conducting interviews with them.

The Embassy has no relationship whatsoever with such organization. The Embassy does not accept any form of online visa application.

The Embassy of Japan alerts visa applicants to be cautious about such organizations and incidents.
