

The Project for the Construction of Classroom Blocks at Kibale Secondary School in Pallisa District

1. Project Detail

Organization	Kibale Secondary School
Amount of funding	US\$ 85,314
Signatory	Mr. James Angopa, Head Teacher
Name of the project	The Project for the Construction of Classroom Blocks at Kibale Secondary School in Pallisa District
Location of the project	Pallisa District
Items funded through this project	2 Classroom Blocks, 2 Toilet Blocks, Set of Furniture
Date of Grant Signing	3 March 2016

Kibale Secondary School is located in Kibale Sub County in Pallisa District, Eastern Uganda and was established as a government aided school in 1994. Currently the school has 604 students and 18 teachers and the number of students has more than doubled in the past 5 years due to a flow of population from urban areas. The classroom shortage is a serious issue that one classroom serves 150 students making their learning environment worse. Additionally, the school currently has 2 stances of pit latrines which serve 248 girls students; it makes toilets excessively congested forcing girl students to leave the classroom for a long time. It causes their academic performance to decline. Therefore, this project will construct classroom blocks and toilet blocks, and install furniture so that the school can provide 604 students with a better learning and sanitary environment as well as improve girl students' academic performance.

2. Grant Contract Ceremony

The Ambassador of Japan to Uganda, H. E. Junzo Fujita, signed the grant contract with Mr. James Angopa, Head Teacher of Kibale Secondary School, on 3 March 2016 at the Embassy of Japan.
